### Hayward OmniHub™ Smart Pool and Spa Control

App only. Smartphone not included.

OmniHub includes wiring base unit, control pad and 1 Smart Relay for control of equipment including variable-speed pumps, heaters, pool/spa lighting, spa equipment, AquaRite® salt systems, booster pumps, backyard

lighting, and water features.

Hayward OmniHub™ offers the easiest way to add smart control to a pool system.

Compatible with Hayward and most other pool equipment brands, the OmniHub™ creates the ability to access, manage, and schedule from anywhere via iOS and Android smartphones and voice controlled devices, including Amazon Alexa.

The OmniHub uses the Control Pad touchscreen as the main interface

Control Pad Touch Screen

Flexible and scalable, the OmniHub is a simple upgrade for both new and existing system installations.

### Hayward Jet-Air® III Hydrotherapy Fitting

SP1434 VariFlo Jet

The Jet-Air III system is one fitting that does it all – adjustable, fully directional and recessed!

You have interchangeable jet nozzles allowing for multiple configuration options to achieve the massage effect you want. Control the water

SP1434 VariFlo – Fully adjustable and directional

and air flow right at the jet face.

The swivel ball assembly is fully recessed in the wall fitting and has full regulation at the nozzle.

The Jet-Air III gives high performance action and requires just 10 gpm for efficient operation.

Use the Jet-Air III for hydrotherapy/whirlpool action in both in-ground and above-ground spas.

## Hayward Liquid Chemical Feed System

Hayward's new Liquid Feed Systems offer a reliable and durable solution for automatic acid or liquid chlorine dispensing in residential pools.

The energy efficient systems consist of a high capacity 15-gallon Hayward branded tank made of UV resistant plastics, and a low-power fixed output pump that works with 110V-220V 50/60Hz.

AQL-CHEM4-ACID

Refill is made easier than ever, employing an upright, ergonomic design and convenient built-in handles.

AC035 Feed Pump

The pump can be managed with any on/off controller or automation system.

The liquid feed system can be used with Hayward's AquaRite Pro, ProLogic, OmniLogic or Commercial CAT Controllers.

## Model 3400 Skimmer – Great Value

The IM 3400 Series Automatic skimmer

is ideally suited for pools where a value priced full-size residential skimmer is desired. The IM 3400 Skimmer is one-piece injection molded of corrosion proof ABS with UV inhibitors.

Multiple plumbing options offer 50mm slip, 1 1/2" internal and 2" external threaded choices. The skimmer features a self-adjusting weir, large debris basket, flow control slide valve, port plug and a 40mm auxiliary overflow port.

An adjustable collar allows for 1" vertical adjustment to accommodate any deck construction variances.

## ProHayward Hard Shell Life Ring

The ProHayward life ring is ideal for public pools at hotels, sports clubs and housing complexes.

LBO30 Life Ring

The bright orange 30" life ring is manufactured with a long lasting HDPE outer case over a super buoyant polyurethane core. The life ring is fitted with a white nylon rope for easy grasp of the life ring by users and the ring features reflective tapes for added visibility.

The life ring is a good complement to your regular pool equipment selections of Hayward and ProHayward adding to your Totally Hayward product offerings.

### poolpals Pool I.D. Plumbing Layout Labels

Pool I.D. Labels are the best way to label all your PVC pipes on your pools equipment pad. The sheet of stickers contains UV treated labels for intake, return, pool, spa, filter, heater, bypass, backwash, and many more. Contact your IMG representative for details.

For more information on the products featured in Newsplash, please contact Hayward/IMG at Fax: 909.444.0327, email: [img@hayward.com](mailto:img@hayward.com) or go to [www.Haywardpool.com](http://www.Haywardpool.com)
