# Hayward<sup>®</sup> Variable Speed Pumps **BETTER Efficiency**

Energy-efficient equipment is absolutely essential to the future of the pool industry-and Havward is leading the way. As a 2022 ENERGY STAR

Partner of the Year, we're proud to be recognized by the

US EPA for our energy management best practices, leadership,

innovation and commitment to environmental protection.

TriStar<sup>®</sup> VS Hayward has the broadest range of ENERGY STAR certified pool pumps, including our innovative ultra-high efficiency variable speed pumps: the #1 rated pumps. TriStar<sup>®</sup> XL

They feature permanent magnet, totally enclosed fan cooled (TEFC) motors that deliver maximum energy efficiency and reliability. They are exceptionally quiet compared to single speed pumps when running at maximum speeds.

The pumps are fully programmable with a touch pad control that can be rotated to four different positions or mounted to the wall

for more convenient access.

The pumps can operate independently, with Hayward Omni automation, or with competitive systems (via relay control).

The **TriStar® VS** variable speed pool pumps are the most energy efficient according to EPA ENERGY STAR 3rd party testing

> data. Engineered for performance and versatility, the TriStar® XL delivers increased flow from extra-large 3" unions, the removable strainer housing allows for more adaptable pump configurations, and the oversized

strainer basket reduces cleaning and maintenance.

Havward's Super **Pump**<sup>®</sup> VS

variable-Super Pump<sup>®</sup> VS speed pool pumps are a drop-in upgrade for the single speed pumps.

### **TigerShark**<sup>®</sup> - Robotic Pool Cleaner

The **Hayward TigerShark**<sup>®</sup> is renowned for its solidity and efficiency. It cleans the bottom, walls and waterline.

With its ASCL microprocessor (Adaptive Seek Control Logic), it calculates the shape and size of your pool to clean every spot efficiently.

The Hayward TigerShark<sup>®</sup> is fully automatic, with no need for an exterior bag or pipe.

Available in the Quick Clean (OC) version for full cleaning in

under 2 hours and with an optional foam-brush for pools with tile Caddy Cart finish. RC99385

The optional caddy cart makes handling easier.
